Zoning Report: Absent

Trustee Reports: Trustee Millett- Fuller St work went well. Water tower is in service but there are a few glitches in the electronics. Curb stop replacements at 1 Cross, 44 High and 122 Church. Water turnoffs began for the winter. Still working on building at Sewer plant.

Mayor Putnam- Gill is going to get a price quote for a light to light up the castle on the new arch sign.

Clerk Dest- Waste management finally picked up dumpster from sewer plant.

Project Reports: Gregor- Insulation needs to be completed at the tank. Thanksgiving week seems to be when things will be completed. T.I Sales was on site for the meter reading equipment. Sean from T.I. Sales thinks it's the modem that's the issue. Aqualogics was on site to work on the controls and forgot to bring a radio. Fire siren has a panel missing. Going to get with Jerome Fire Equipment. Punch list of hardware like locks. Department of Transportation pre-con and pre-blast meeting. DOT wanted a pedestrian accommodation plan for downtown area. Village may already have signage from a previous DOT job. Department of Health has requested additional information about the trojan uv lights. Working with the Community Development Block Grant has requested additional information. Next progress meeting is December 3rd, 2026, at 2pm.

Old Business:

1: *Water Policy*- Fee for Outside Water Purchase- Tabled

New Business:
1: Discussion on water/sewer nonpayment- Tabled
2: Cornwall Brothers Signs- already spoke about earlier.

Mayor Putnam- the signs that were originally on the Arch will no longer be on the Arch. Need to find a new place for them.

Adjourn: Trustee Fulmer made the motion to adjourn. Trustee Strough seconded. All in favor- Aye.
