**Pledge of Allegiance:**

**Roll Call:**

Trustee Fulmer-Present  
Trustee Millett-Absent  
Trustee Strough-Absent  
Trustee Caputo-Present  
Mayor Putnam-Present

**New Business:**

**1: Arch Sign-Pillar Design** – Trustee Fulmer made the motion to accept the quote from Gill Creations for \$23,500 to redo the pillars on the arch. Trustee Caputo seconded.

Trustee Caputo would like it on file that we had 2 bids for the pillars.

Mayor Putnam noted that Gill Creations was lower and Gill was doing everything without needing any lifts or pre-prepping.

Trustee Caputo noted she liked Gill Creations design better with the bottom part being real stonework. Also, in 1922 the legion built the arch for the first department commander, and they put the arch up. That's where it started and apparently the legion got donations from other community businesses and that to do that.

Mayor Putnam noted we needed indirect lighting on the columns and he was also thinking he'd like to see the castle at night lit up.

All in favor-Aye.

**Adjourn: Trustee Fulmer motioned to close the meeting. Trustee Caputo seconded.
